Ingeborg Davis Obituary

Ingeborg Davis, 75, of Harrisburg, PA., passed away peacefully on April 23, 2021. She was born on February 14, 1946 in Germany. Inge immigrated to the United States at the age of 12 where she had to learn English to get established in the States. Later, she went through school and earned a degree in business. She worked as a manager of apartment complexes. Inge was very hard working and she took tremendous pride in her work and her properties. Inge was very independent and led a private life. She loved her home and her flowers that were all along her home's landscape. She worked diligently and meticulously in all aspects of her private world and with everything she did. She had a very strong passion for gardening and flowers. This was evident around her homestead. Inge was also an exceptional cook and baker. She relished in spoiling her husband with baked goods and home cooked meals every night. She had a huge heart. Inge smoked for the majority of her adult life, which brought about her COPD. She fought COPD for the past five years of her life. She is survived by her loving husband Alan; son Thomas Owens and grandson George Owens. At this time, no formal services will be held. A

celebration of life will be held at a later date. For online condolences, please visit:

Inge was my sister-in-law. She was loving, gentle, generous and always available with kind words and a smile. She rarely complained and worked hard. She even washed her walls yearly. Who does that?!!!

She really loved Alan, her home and her family. She shared with me many of her life's lessons, which left a lasting impression on me.

She lead a full life when she could. During the last 5 years of her life, she made it her mission to encourage others to quit smoking. She left us too soon. I love you Inge! Thank you for your love too! -Shar

I want to extend my condolences to Allan and Tommy. I met Inga when she managed an apartment complex that I moved into. She was a kind and nice person.
